

MARPALING LAMDON MODEL SCHOOL STONGDAY –ZANSKAR

It gives me pleasure to presenting the school activity report of the rest months year 2020 of our institute in detail.

Dear brother ,

On second week of August with Headmaster and one teacher we start towards manali . After 14 days quarantine in Kullu we did shopping for our school needed things and after two days we again start come back to Zanskar.

From Headmaster's Desk

Dear Sir,

In the ending of August with the help of local teachers we had checked the Home work of our students We were very happy to see that maximum of our students had done the home work in a gradual manner. Only those students had some problem with their home work which had not a educated person in their home to help them to study and finish their home work.

From Manager's Desk

Seminar on What will happen in Zaskar after opening of three big doors

On mid of September we had started the seminar on what will happen in zanskar after opening of three big doors. Because it is a very big issue in zanskar. So we had invited all the religious thinkers, all the Head lama's of monasteries, all the representatives of each villages , educated persons and officers of all government of zanskar for debate on this very important topic. We did two days debate with Head Lama's and representatives of villages but unfortunately due to COVID cases in zanskar we had to stop the Seminar till further date.

Arrival of Leh Lamdon Society President

On 16th of Sep. Leh Lamdon Society President had visited our school with their colleague. They had stayed two days in our school.

Finishing of school bathrooms

This year we had made four bathrooms for staff and children. Ending of sep. we did the finishing of school bathrooms.

Finishing of v.i.p toilet and bathroom near to management office

We had also made a toilet and one bathroom near to new management office. Toilet and bath room is specially made for v.i.p purpose.

Finishing of management office

We had done the cementing on walls and floor of the management office with the help of labors. We had made the roof of management office of steel sheets.

Finishing of multipurpose stage of the school

We had also finished the work of multipurpose stage of the school. School can use this stage from next academic session.

Making of the ground for mid day meal purpose

With the help of local labors we had made the ground for mid day meal purpose for our students. From the next year all the students will stay here during lunch time and will be taking their food.

P.T.A meeting and distribution of books

On 15th and 16th of Oct. we had informed all the parents and students for come to school to attend a P.T.A meeting and also for distribution of books Same day we had distributed the books to our students and also held a P.T.A meeting. We had also suggested all the parents to take care their child regarding their studies during winter vacation.

Preparation of Home work for winter vacation.

Headmaster had informed all the local teachers for come to school and preparation for home work for winter vacation. Within one week Headmaster with the help of local teachers had prepared the home work. Now ending of Oct. we will distribute the home work to our school children of each classes.

Making of traditional oven for mid day meal purpose.

We had made the local oven for mid day meal purpose with the help of a local man who is very popular in this region to make a these kinds of traditional oven.

Headmaster's Desk.
