School activities report 2020

It gives me a immense pleasure to presenting the half yearly activities report 2020 of our institute in detail. I personally feel it is important to produce the six months activities of the school to the Higher Authorities.

Dear brother,

- 1) Last year in the month of Oct 2019 we send our all school buses for repairing purpose in Leh due to some mechanical problems.

- 2) After final examination school had closed for the winter vacation. Winter was hectic for me. Firstly I went to Jammu for school accounting purpose and after than move to Dehradue for inviting Hiss Holiness Sakya Trinzin Rinpo chey as a chief guest in the school 20th Anniversary as well as for the teaching in the valley also we will start the smart classes in future in our school for that purpose I had visited Tibetan school at Massuri to check the smart classes . This year during winter some teachers will be visit Tibetan

school at Massuri for training purpose for smart classes. His Holiness accepted our beseech and agreed to come to Zanskar but later due to Pandemic His Holiness had cancelled the programme for next year 2021. It was really great moment for all of us

3) On **19th of Feb 2020** we had started from Leh towards Zanskar with teachers of our institute .Headmaster and the two new teachers were with us.

4) For this academic session Headmaster and two new teachers have joined the institute. We had stayed two nights in Chadar track and we reached in school on **22nd of Feb**. All the teachers were very excited for the new academic session

5) Clearance of snow from each building

In the month of March and April we with the help of teachers and some villagers clear the snow from each building and as well as from school assembly ground.

Headmaster's desk

Mr. Rajender kumar Headmaster

Dear Sir, this is my first year in this institute as a Head of institute, that I am going to submit the school activities report to you for your kind information.

On **2nd of March** management committee held a meeting with all the staff members and after than Manger and President Management committee hand

Over the responsibility of the office as a Head of the institute to me. It was really a wonderful experience for me with new staff members and new management.

On **same day** we had smoothly started the school, classes and we had also started mid-day meal for our school children.

All the teachers had given their classes in a gradual manner . On **11th of March** office of the Management committee had received the official letter from the Administration and informed me for let up the classes and closed the school till **22nd of March** due to spread of Pandemic in the region.

On **22nd of March** management committee had again informed by the Administration for remained close till further information. Now all the teachers were getting bored without classes. We had tried to given a tuition to the our school children and seek the permission from the Administration many times but unfortunately the administration had not granted the permission for that due to Pandemic.

From Manger's desk

6) Making of green House and sowing of vegetables.

We had started making the green house and sowing of vegetables in green house and also in a field with the help of teachers

7) On **1st of April** the management committee had decided to make a traditional small tables and the back seat for His holiness with the help of some local Artisan in keeping the view of next year His **Holliness Sakya Thinzin Rinpochoy's** visit in our school and also decided to make a name plate (name board) for the each class rooms and as well as for other rooms.

set up our own dispensary in school so that anybody have pain we will able to do give a immediate treatment to them. We have also concern with a experience retired doctor for given his service in a school and he has accepted our request.

9) Visit of Honourable M.P Ladakh

We had invited the Honourable M.P Mr. Jamyang Tsering Namgyal in our school. On 31st of May Honourable M.P Ladakh had visited our school and we welcome him with traditional way and put a demand for financial help for our institute. He has also ensured us for help in near future.

10) In the **first week of June** Management committee had decided that we will give the smart home work for our school children so that , the children will get busy with their study in their respected Homes as well as saved from the Pandemic. All the teachers were called upon to the school for prepare smart Home work within one week Headmaster and all the teachers prepared the smart Home work regarding **TERM 1st** and distributed among all children to each classes

11) in the **first week of July** management committee with the Headmaster and subject teachers went to the respected homes of our school children for check the home work. We were very surprised that maximum no of our school children had

done the home work in a gradual manner. It was also a great experience for the management committee and as well as to the all subject teachers.

9/13

We came to know that, all the our school children were enthusiastic with their smart home work . It was a great relief for managing committee also to Headmaster and all the subject teachers.

12) Making of school flags and putting the extinguisher in school and new staff quarters.

We the help of teachers had put the school flags in the entrance road and on the school podium and also put the extinguisher in school and in new staff quarters.

10/13

13) Beautification of the front portion of new staff quarters.

We have with the help of staff made the front portion of new staff quarters. Firstly we label the area of front portion and after than we did the beautification of the front portion of new staff quarters.

14) Construction of Management office and V.I.P toilets.

With the help of local labours we had started the construction work of management committee and V.I.P toilets . Which is still going on.....

11/13

15) On **10th of July** we had got the information from the Administration for continue close the school because in Ladakh region the cases of Pandemic (COVID-19) were increasing day by day . Mostly in the Distt. Kargil . So there were no possibilities of reopen the school.

16) On **11th of July** managing committee had again decided that we will give the smart Home work and assignment regarding **TERM 2nd** for our school children. All the teachers were again in school for the smart home work and Assignments.

12/13

17) Construction of multipurpose stage

This year we have made the multipurpose stage for school. We have construct the multipurpose stage in keeping the view of next year His Holliness Sakya Trizin Rinpo chay's visit and also the specially during school activities and other ceremonies we were in need of multipurpose stage .

13/13

18) **21st of July** we had distributed the smart home work and assignments for each classes.

Now in ending of August we will again check the home work of each children with Headmaster and all subject teachers. We are hoping for the best from the student side.

18) **24th of July** all the teachers who comes from another state went to their home for summer vacation with the permission granted by the management committee.

I wish all the best happiness and love that the school project will be educate many children for the way of life.

Many greetings to you and all **A.R.Z members** from the Marpaling family.
